READING

Washington, D.C., is where many important decisions are made. Washington State is a completely different place on the west coast of the United States, while Washington D.C., is on the east coast. It's the home of the U.S. government, including the President, Congress, and the Supreme Court. Imagine being in the place where history is made every single day!

There you walk in the footsteps of lawmakers and heroes. You can soak up all the history and visit incredible monuments and memorials that honor important people and events in American history. One of the iconic buildings like the White House, where the President lives and works. WDC is a city full of unforgettable sights.
